Our school strategies are showing substantial progress toward our targets

After reviewing our *Great Results Guarantee* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Provide intervention and adjust instruction to individual students within small group work.
- Year Level Key Teachers to lead and support Prep – Year 3 teachers to plan collaboratively.
- Support teachers to effectively target student instruction based on achievement data.
- Provide professional development to teachers to effectively implement Seven Steps to Writing Success and Student Writing Goals for students in all classrooms.
- Develop and implement individual student tracking tool to monitor individual student writing growth.
