Information about the Bayside District Sporting trials throughout 2020 are listed on the attached page. Students will need to follow the strict criteria laid out by the district if they are wishing to trial. Please fill in the attached form if your child would like to be considered to trial for a sport. Only a limited number of Manly State School students can be considered per sport.

Important things to remember

- Students born in 2008, 2009 and 2010 can trial.
- Students need to have experience in the sport.
- Current club experience is preferred.
- As each school is limited in the number of students they can send to a trial, an in school trial may be necessary to decide which students are able to attend the trial
- Students and parents need to commit to taking students to the trial if selected
- Please fill out the form correctly. All information will need to be filled out for your child to be considered.
- Students eligible to trial will be given all the necessary paperwork to complete and take to the trial. Without the correct paperwork, a student will be unable to participate at a trial.
- Students attend the trial (ensuring they take all the required paperwork with them and hand it directly to the trial coordinator).
